R e a d :-

Correspondence ending with letter No.25.C.120a/40-47 dated 19th April 1949 from the Municipal Commissioner, Bangalore City, forwarding certain proposals in the matter of the payment of conveyance allowance to the process servers in the Revenue Section and the Maistries working in the layout section and the Horticultural section of the Bangalore City Municipality

ORDER NO L. 14683 4/Rev-10 48-183
Dated, Bangalore the, 24 6 49

The Bangalore City Municipal Council resolved at its meeting held on 4th September 1949 to grant the four process servers working in the Revenue Section and one process server attached to the Special Land Acquisition office in the City Municipality, a conveyance allowance of Rs.7.8.0 per mensem each, in view of their having to discharge executive duties, ~~xxxxxxx~~ necessitating the maintenance of bicycles by them, etc., On further information being called for, the Municipal Commissioner included the names of two maistries working in the layout section and the Horticultural Section for enhancement of their C A.from Rs.5/-per mensem to Rs.7.8.0 per mensem to be on a par with those recommended for the process servers.

The question was thereupon examined with reference to the allowance granted to the incumbents of similar posts or drawing the same rates of pay in the adjoining civil Station Municipality and the Mysore City Municipality and the necessity for granting as far as possible uniform rates of conveyance allowance in respect of the employees in Bangalore City Municipality.

Having regard to the fact that the scale of pay of these posts in Bangalore City has been revised recently, Government direct that the conveyance allowance at a uniform rate of Rs.5/- per mensem be granted to each of the five process servers and the two maistries referred to above, instead of at Rs.7.8.0 as recommended by the Municipal Council.

For General Secretary to Government.

To

The Municipal Commissioner, Bangalore City (through the President)
